Special Instructions (settlement/payment method, etc): _____

Instructions:

1. **List each container separately.** To have 2 or more containers processed together, assign them the same "Lot #" (last column).
2. **If you have included more than one processing lot in a container,** list the individual "net weight" of each lot to receive individual refining.
3. **Properly affix security seal to each container.** We will verify the weight upon receipt of materials. If there is a difference of 2 Lbs. or 3%, whichever is greater, we will contact you before breaking the security seal.
