

Silver Refining Services

CPAC Imaging Maximizes Your Return and Minimizes Your Financial Risk

- Guaranteed payment on all silver shipped to our refinery.
- Your silver stays in your name from the time it leaves your facility until it settles.
- Fast settlements—15 business days from receipt!
- All settlements are based on 100% of the COMEX market price.
- Expert technical support to help improve your silver recovery efficiency.
- Maximum return! No additional charges for assay, sampling or treatment!
- We provide insurance when material is shipped according to instructions.

Refine with CPAC Imaging and Reduce Your Environmental Risk

- The refinery operates at zero discharge—no silver waste is sent to a landfill, sewage treatment plant or disposal facility.
- “Recycling” your silver CPAC Imaging means NO hazardous waste and eliminates your “cradle to grave” responsibility.
